Once a snake entered the house of an old woman. The old woman was frightened and cried out for help. Hearing her the neighbours rushed up and killed the snake. Then they returned to their homes. Instead of throwing the dead snake far away, the old woman flung it onto her roof. Sometimes later a kite flying overhead spotted the dead snake. In its beak , the kite had a pearl necklace which it had picked up from somewhere. It dropped the necklace and flew away with the dead snake.
